Skating - Tis the season to skate! Our first skating session is scheduled to take place on **Wednesday 14th December**. Please begin getting your child(ren)'s skating equipment ready. GAA has some skates to

Winter Clothing

As Winter is progressively coming closer, this is a reminder to all of our students that proper winter clothing must be worn. This includes hats, gloves, and boots in addition to your winter coats and snow pants. We suggest that names be placed on all clothing. Over the winter season each student needs to keep a pair of indoor shoes in their classroom. Students are still expected to go outside for recess in order to get some exercise and fresh air. An indoor routine is followed when the temperature or wind chill factor drops to -15 to -20C.

Mad Science Program - We are pleased to inform you that this program will once again be offered at Grandview! This 8 week program will begin on Monday 30th January, 2017. Please watch for more details.
